

# HELP-Healthcare Logistics Education and Learning Pathway

Master's level pilot

Erasmus+ KA2 Strategic Partnership  
2017-1-1FI01-KA203-034721

FINNISH NATIONAL  
AGENCY FOR EDUCATION

Co-funded by the  
Erasmus+ Programme  
of the European Union

# Motivation

- Healthcare organisations have changing and increasing needs in the field of logistics.
- These organisations are pushed to provide high quality services that are congruent with rapidly changing environment, cost and margin pressures, and increasing regulatory and compliance requirements.
- Healthcare organisations with a well management logistics can obtain organisational benefits from both financial and clinical perspectives.

# The Master's level pilot

- Entirely online
- 8 EU-ECTs after completion

The screenshot displays the Moodle LMS interface for the ZLC online platform. The browser address bar shows the URL `zlc.moodle.school`. The top navigation bar includes a hamburger menu, the ZLC logo, the language setting 'ENGLISH (EN)', and system status indicators for 'USERS' and 'STORAGE'. The left sidebar contains navigation links: Dashboard, Site home (highlighted), Calendar, Private files, My courses, HELP, and Site administration. The main content area features the ZLC logo and a section titled 'Available courses'. A search icon is present next to the course title: 'Healthcare Logistics Education and Learning Pathway Master's level Pilot'. Below the course title is the HELP logo.
